Subject: TIM Request for Extension Granted + Electronic Response

Dear Ms. Sonmor,

EPA has reviewed the December 16, 2020, Tucson Iron and Metal request (and attached declaration) for an extension to respond to EPA's Clean Air Act Section 114 Information Request and EPA hereby approves the request. Tucson Iron and Metal will now have the following schedule to respond to the information requests in Appendix C of EPA's December 11, 2020 letter:

By COB Monday January 11, 2021:

Requests 3, 4, 5, 7b, 7d, 9, 10, 11, and 12

By COB Friday February 26, 2021:

All other requests in Appendix C

If Tucson Iron and Metal is able to submit all the requested documentation and information to EPA electronically, then Tucson Iron and Metal is not required to submit anything in hardcopy to EPA. EPA also does not require a hardcopy of the December 16, 2020, extension request.

Feel free to contact me if you have any additional questions concerning EPA's information request. Thank you.

Mark Sims
Environmental Engineer
U.S. EPA Region 9

Subject: Request for Extension

Dear Ms. Brahmbhatt,

In response to the December 11, 2020 request of information by U.S. EPA Region 9, Tucson Iron & Metal is requesting an extension of time. Please see the attached sworn declaration detailing the requested extension.

It is our understanding based on the instructions provided in Appendix A of that request, that EPA prefers electronic submission of correspondence and data. If EPA requires a hard copy of the attached letter, please let me know and I will send it overnight to your office.

Kind Regards,

Amanda Sonmor
